

### Summary of Faculty Performance

Name of Faculty	Subject Taught	Faculty Performance
Ms.K.Rajalakshmi	17MA110-Probability and Statistics	83.0
Ms. J. Fenila Naomi	17CS306- Fundamentals of Open Source software	96.0
Mr.D.Mansoor Hussian	17CS307-Database Management Systems	88.0
Ms.K.Devipriya	17CS308-Computer Architecture	89.0
Ms.Ramya D	17CS309-Design and Analysis of Algorithms	89.0
Mr.D.Mansoor Hussian/Mr.V.Muneeswaran/Ms.S.Mohanagowri	17CS310-Database Management Laboratory	89.0
Ms.D.Ramya/Mr.V.Muneeswaran/Ms.J.Fenila Naomi	17CS311- Algorithms Laboratory	92.0
Ms.J.Fenila Naomi/Ms.S.Roobini/Ms.D.Srivaishnavi	17CS306- Fundamentals of Open Source software Laboratory	96.0
Ms.D.Ramya/Ms.J.Fenila Naomi	Mini Project	95.0

Ms.K.Rajalakshmi - 17MA110-Probability and Statistics

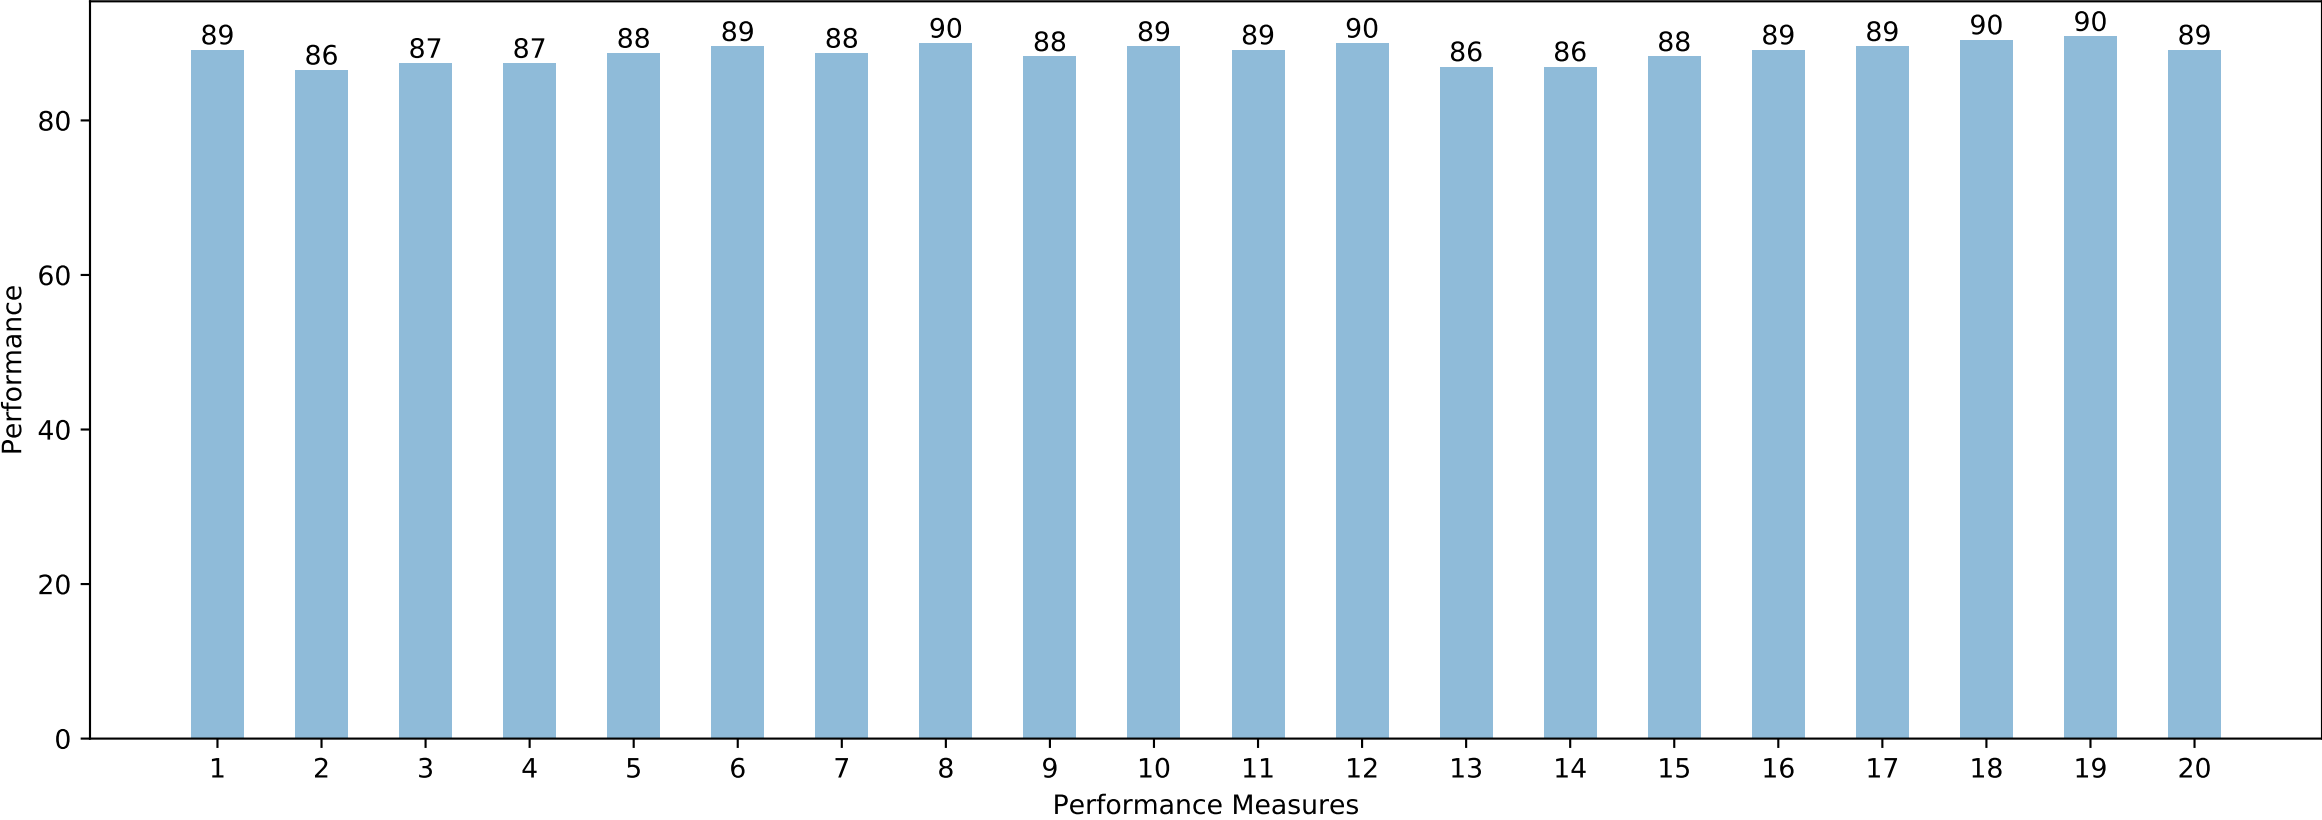

1-Punctuality and Regularity   2-Completes syllabus   3-Focus on Syllabi   4 - Self-Confidence  
5-Communication Skills   6-Skill of linking subject to life   7-Refers to latest developments   8 - Uses of teaching aids  
9-Shares and discusses the answers   10-Makes sure that he / she is being understood   11-Helps student in providing study material   12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills   14-Helps students in realizing career goals   15-Regular checking of laboratory observation   16 - Helping the students in conducting experiments  
17-Control mechanism   18-Skills of addressing inappropriate behavior   19-Tendency of inviting opinion and question   20 - Inspires students for ethical conduct

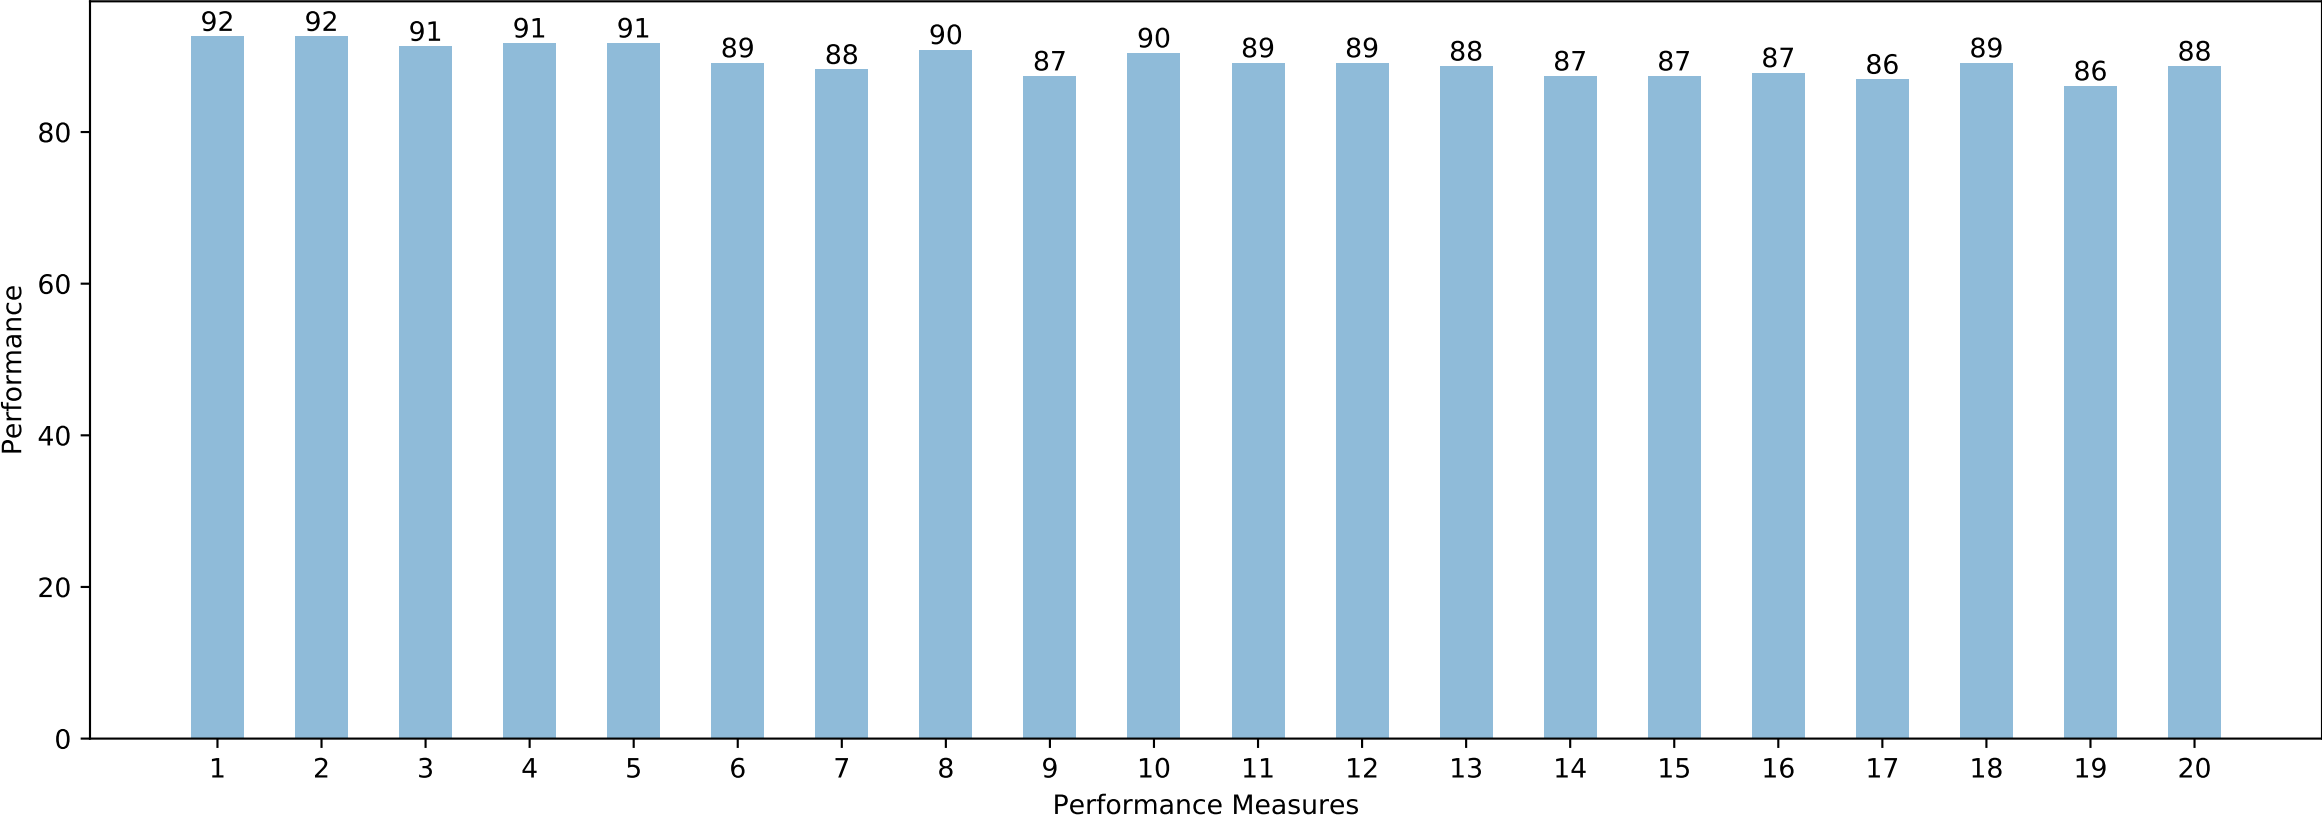

1-Punctuality and Regularity 2-Completes syllabus 3-Focus on Syllabi 4 - Self-Confidence  
5-Communication Skills 6-Skill of linking subject to life 7-Refers to latest developments 8 - Uses of teaching aids  
9-Shares and discusses the answers 10-Makes sure that he / she is being understood 11-Helps student in providing study material 12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills 14-Helps students in realizing career goals 15-Regular checking of laboratory observation 16 - Helping the students in conducting experiments  
17-Control mechanism 18-Skills of addressing inappropriate behavior 19-Tendency of inviting opinion and question 20 - Inspires students for ethical conduct

Mr.D.Mansoor Hussian - 17CS307-Database Management Systems

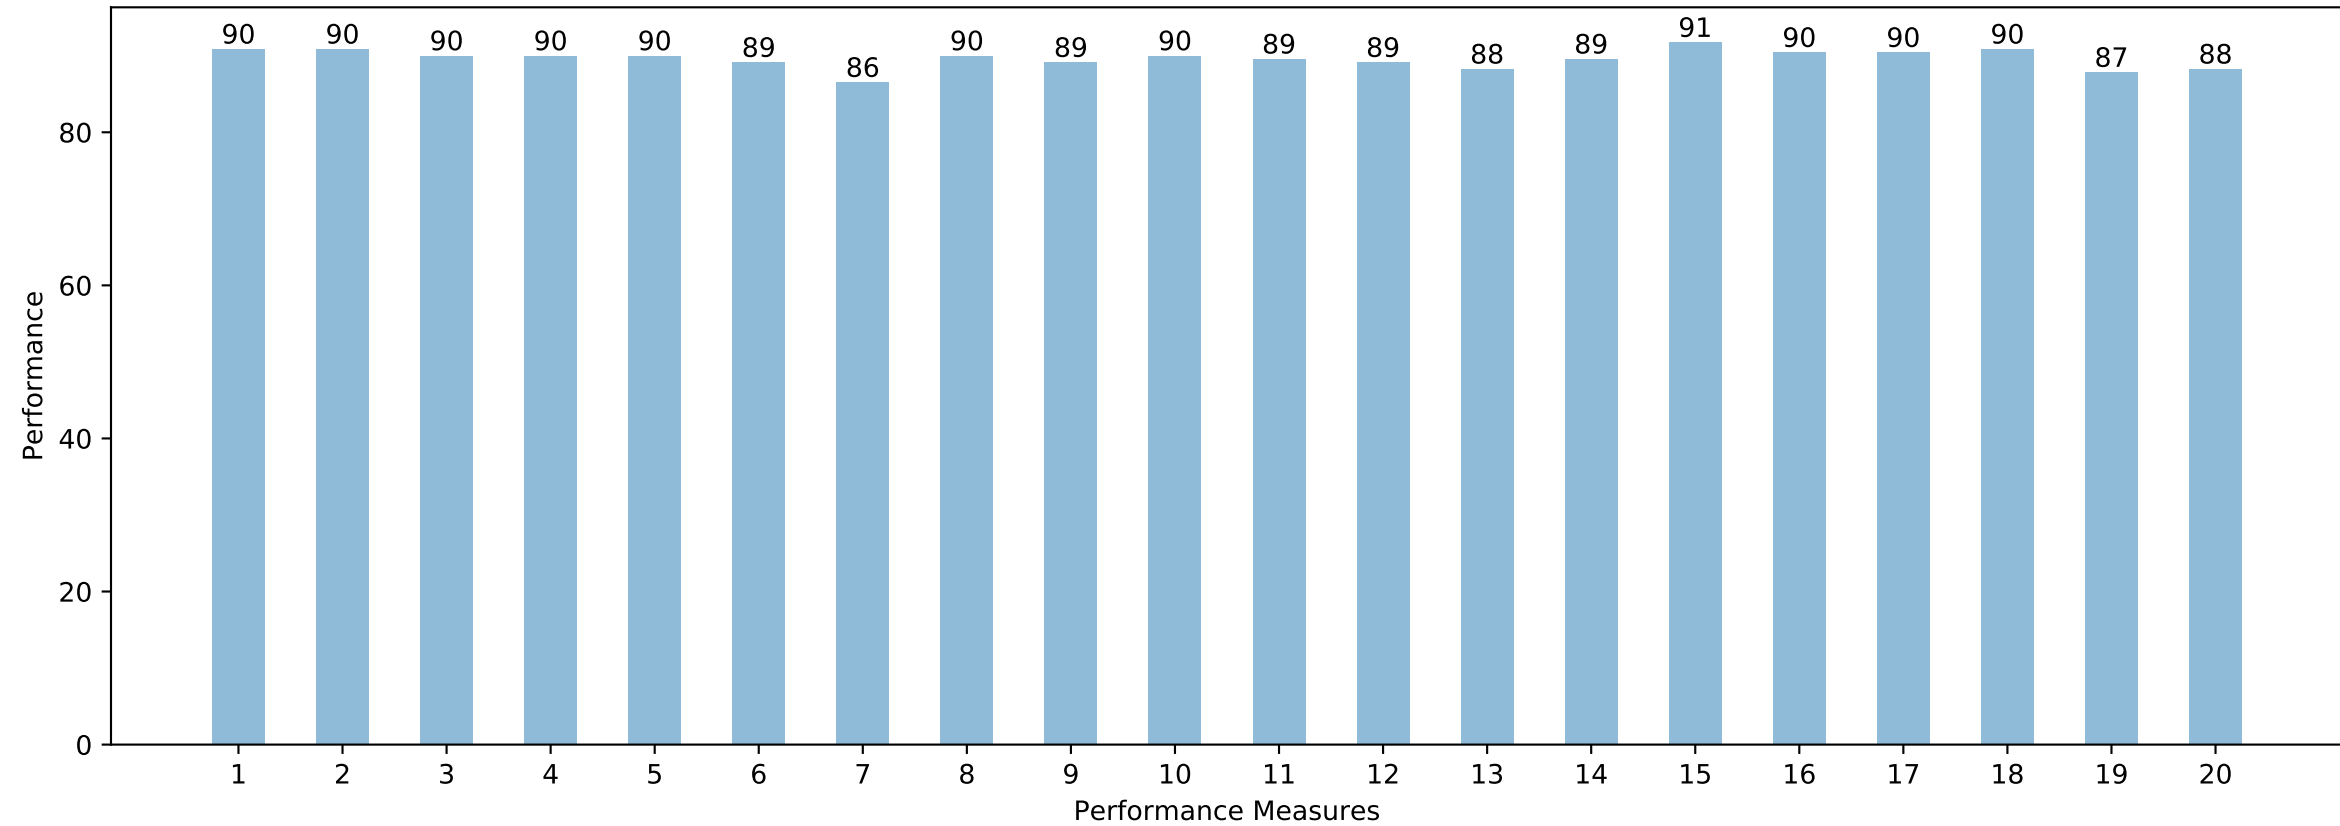

1-Punctuality and Regularity   2-Completes syllabus   3-Focus on Syllabi   4 - Self-Confidence  
5-Communication Skills   6-Skill of linking subject to life   7-Refers to latest developments   8 - Uses of teaching aids  
9-Shares and discusses the answers   10-Makes sure that he / she is being understood   11-Helps student in providing study material   12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills   14-Helps students in realizing career goals   15-Regular checking of laboratory observation   16 - Helping the students in conducting experiments  
17-Control mechanism   18-Skills of addressing inappropriate behavior   19-Tendency of inviting opinion and question   20 - Inspires students for ethical conduct

Ms.K.Devipriya - 17CS308-Computer Architecture

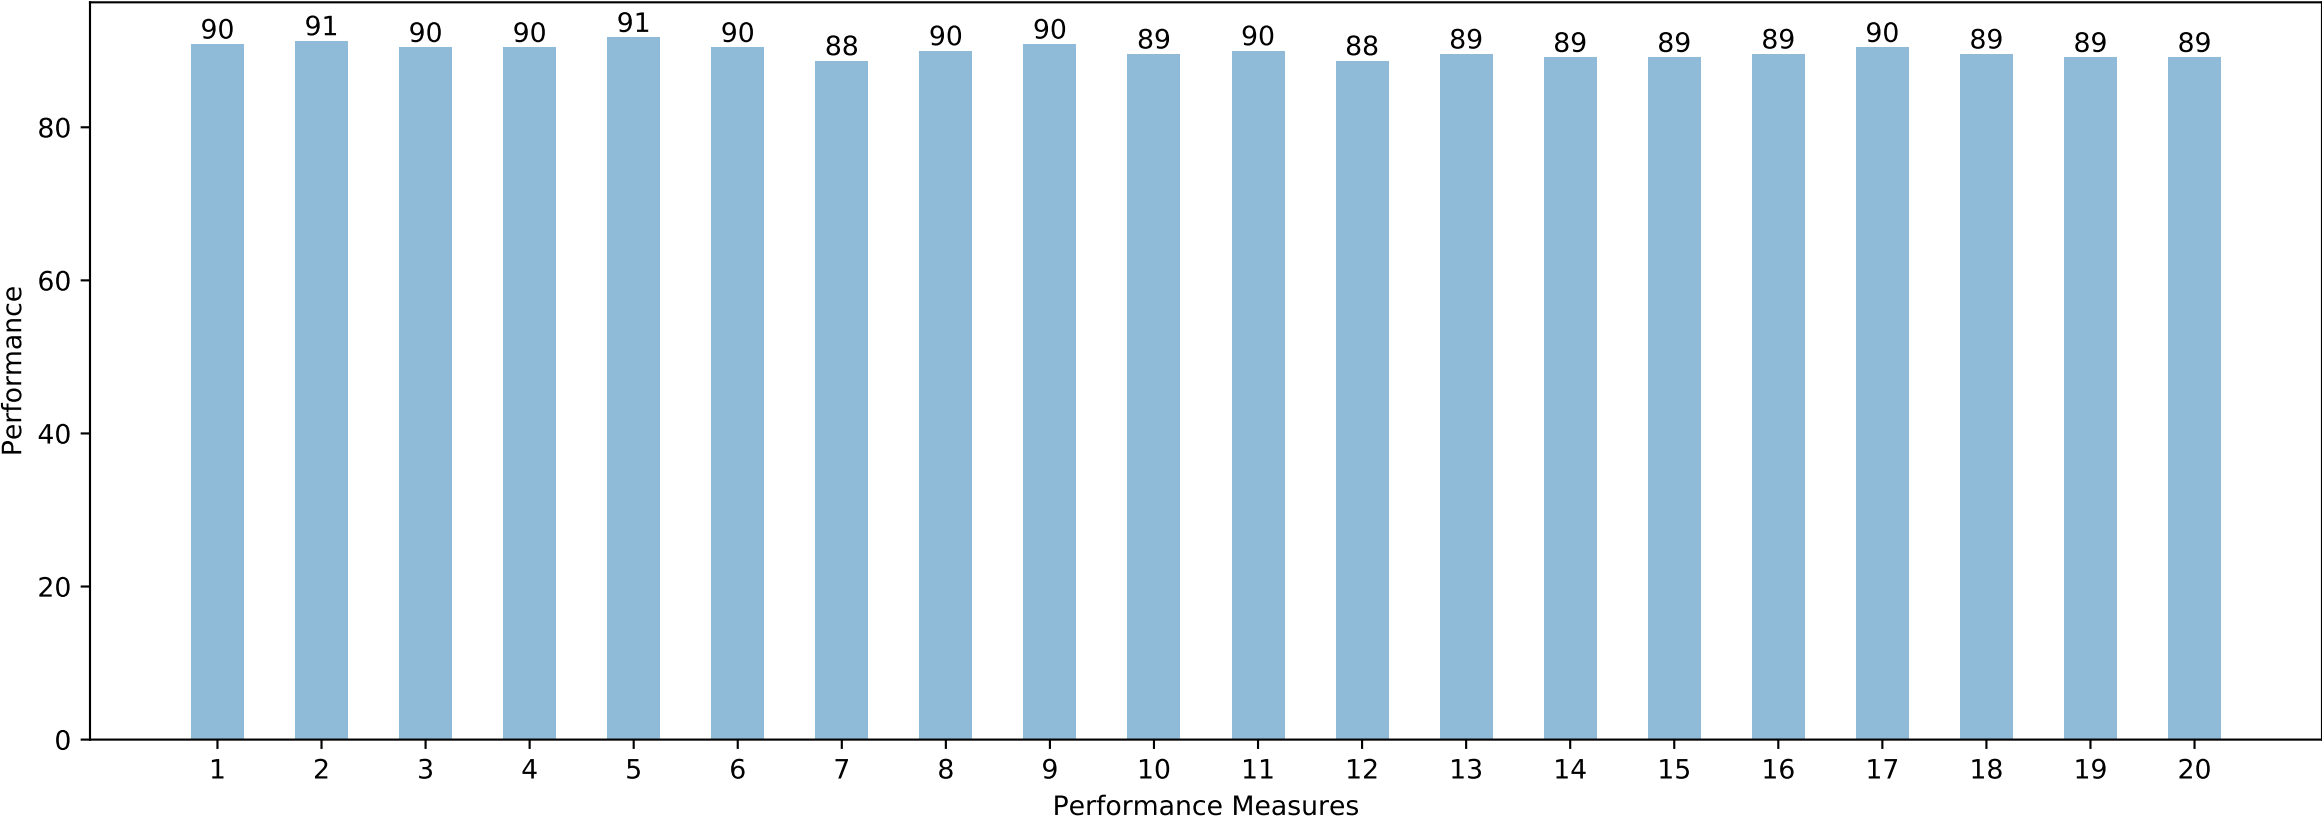

1-Punctuality and Regularity   2-Completes syllabus   3-Focus on Syllabi   4 - Self-Confidence  
5-Communication Skills   6-Skill of linking subject to life   7-Refers to latest developments   8 - Uses of teaching aids  
9-Shares and discusses the answers   10-Makes sure that he / she is being understood   11-Helps student in providing study material   12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills   14-Helps students in realizing career goals   15-Regular checking of laboratory observation   16 - Helping the students in conducting experiments  
17-Control mechanism   18-Skills of addressing inappropriate behavior   19-Tendency of inviting opinion and question   20 - Inspires students for ethical conduct

Ms.Ramya D - 17CS309-Design and Analysis of Algorithms

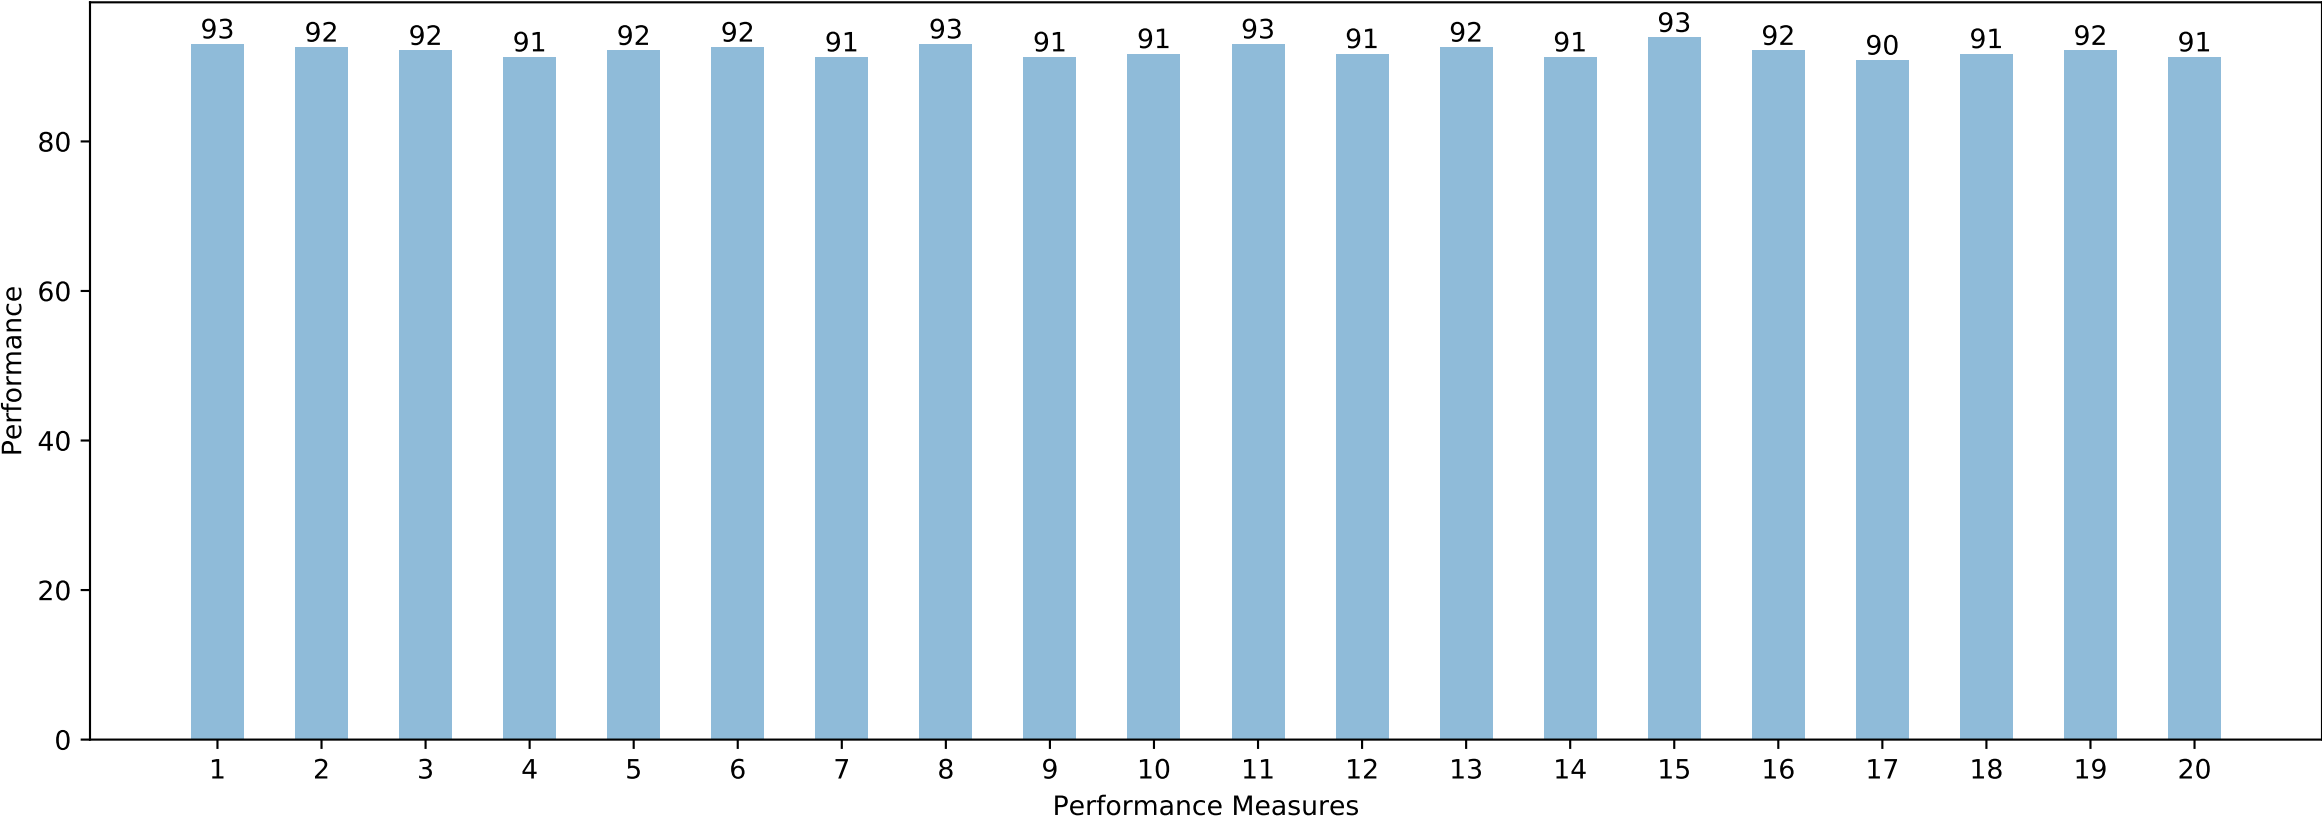

1-Punctuality and Regularity 2-Completes syllabus 3-Focus on Syllabi 4 - Self-Confidence  
5-Communication Skills 6-Skill of linking subject to life 7-Refers to latest developments 8 - Uses of teaching aids  
9-Shares and discusses the answers 10-Makes sure that he / she is being understood 11-Helps student in providing study material 12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills 14-Helps students in realizing career goals 15-Regular checking of laboratory observation 16 - Helping the students in conducting experiments  
17-Control mechanism 18-Skills of addressing inappropriate behavior 19-Tendency of inviting opinion and question 20 - Inspires students for ethical conduct

Mr.D.Mansoor Hussian/Mr.V.Muneeswaran/Ms.S.Mohanagowri - 17CS310-Database Management Laboratory

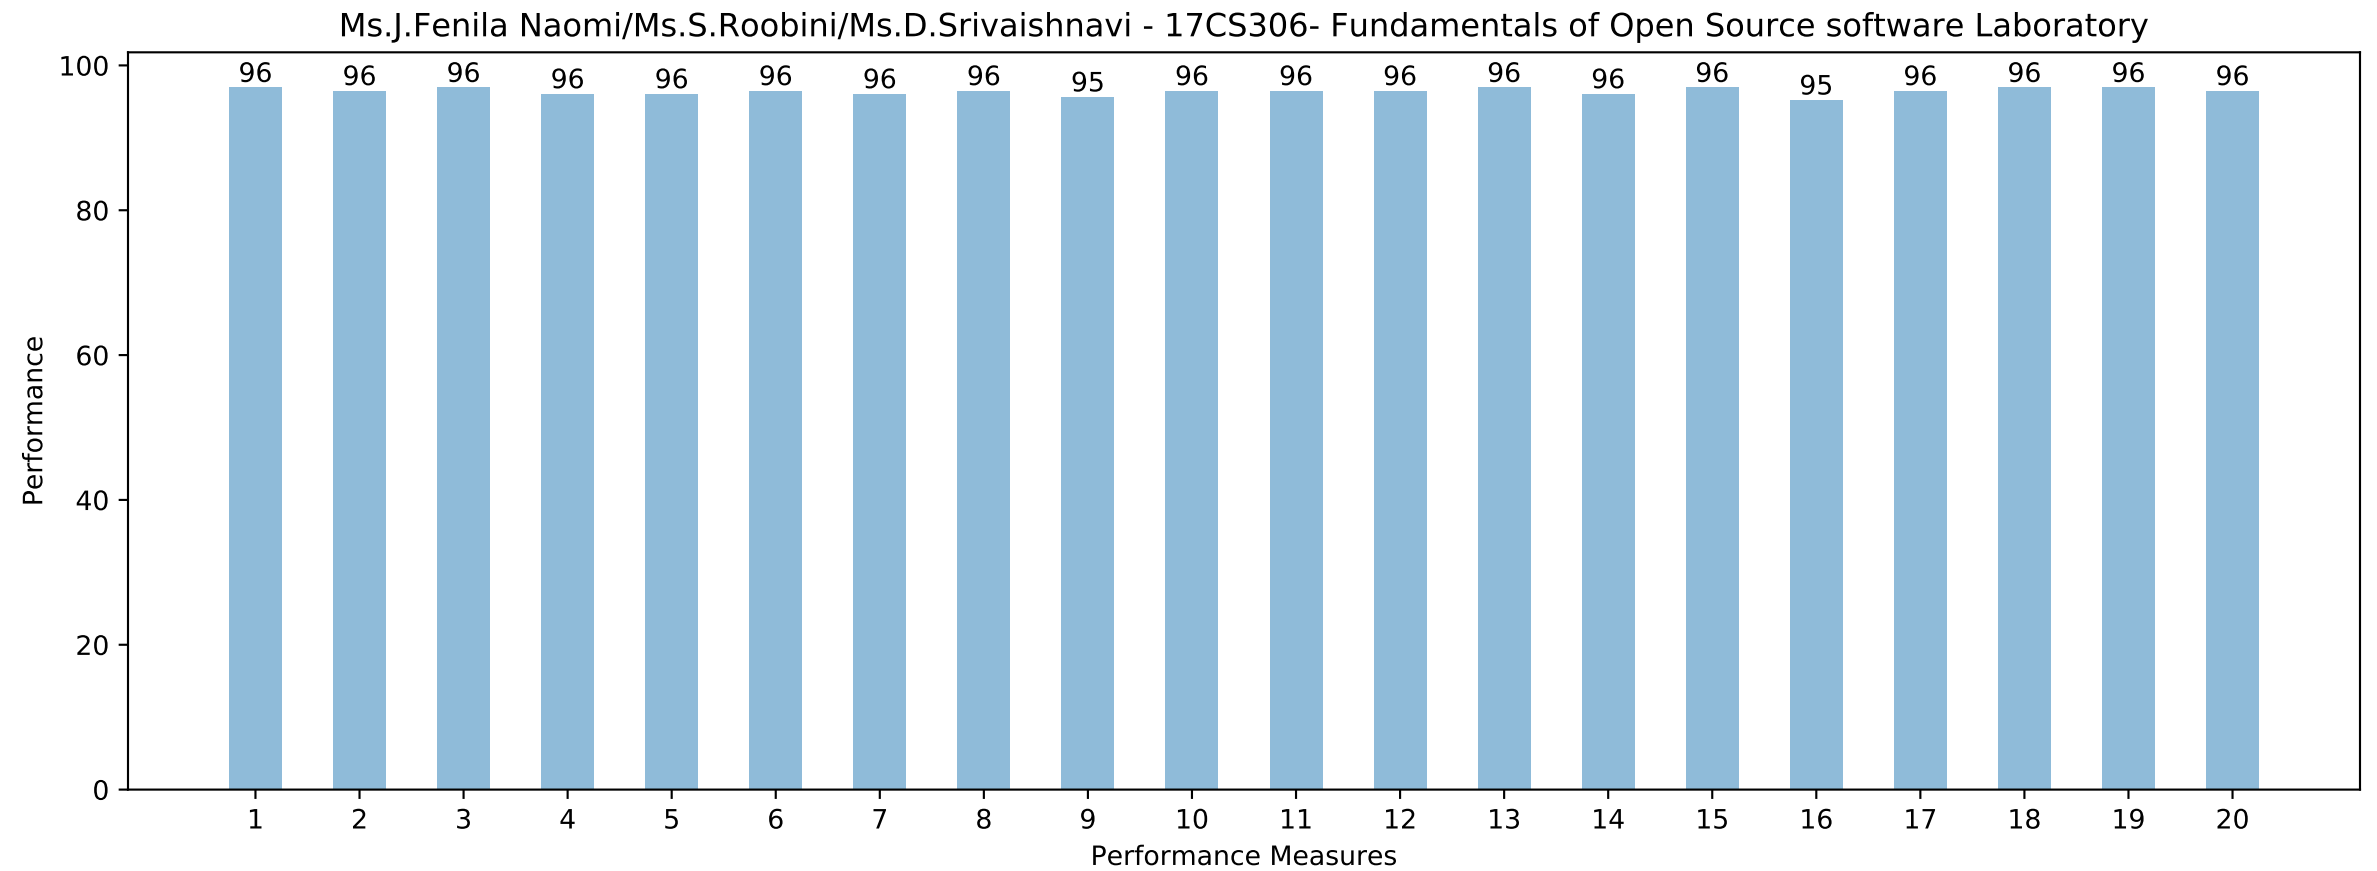

1-Punctuality and Regularity 2-Completes syllabus 3-Focus on Syllabi 4 - Self-Confidence  
5-Communication Skills 6-Skill of linking subject to life 7-Refers to latest developments 8 - Uses of teaching aids  
9-Shares and discusses the answers 10-Makes sure that he / she is being understood 11-Helps student in providing study material 12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills 14-Helps students in realizing career goals 15-Regular checking of laboratory observation 16 - Helping the students in conducting experiments  
17-Control mechanism 18-Skills of addressing inappropriate behavior 19-Tendency of inviting opinion and question 20 - Inspires students for ethical conduct

Ms.D.Ramya/Mr.V.Muneeswaran/Ms.J.Fenila Naomi - 17CS311- Algorithms Laboratory

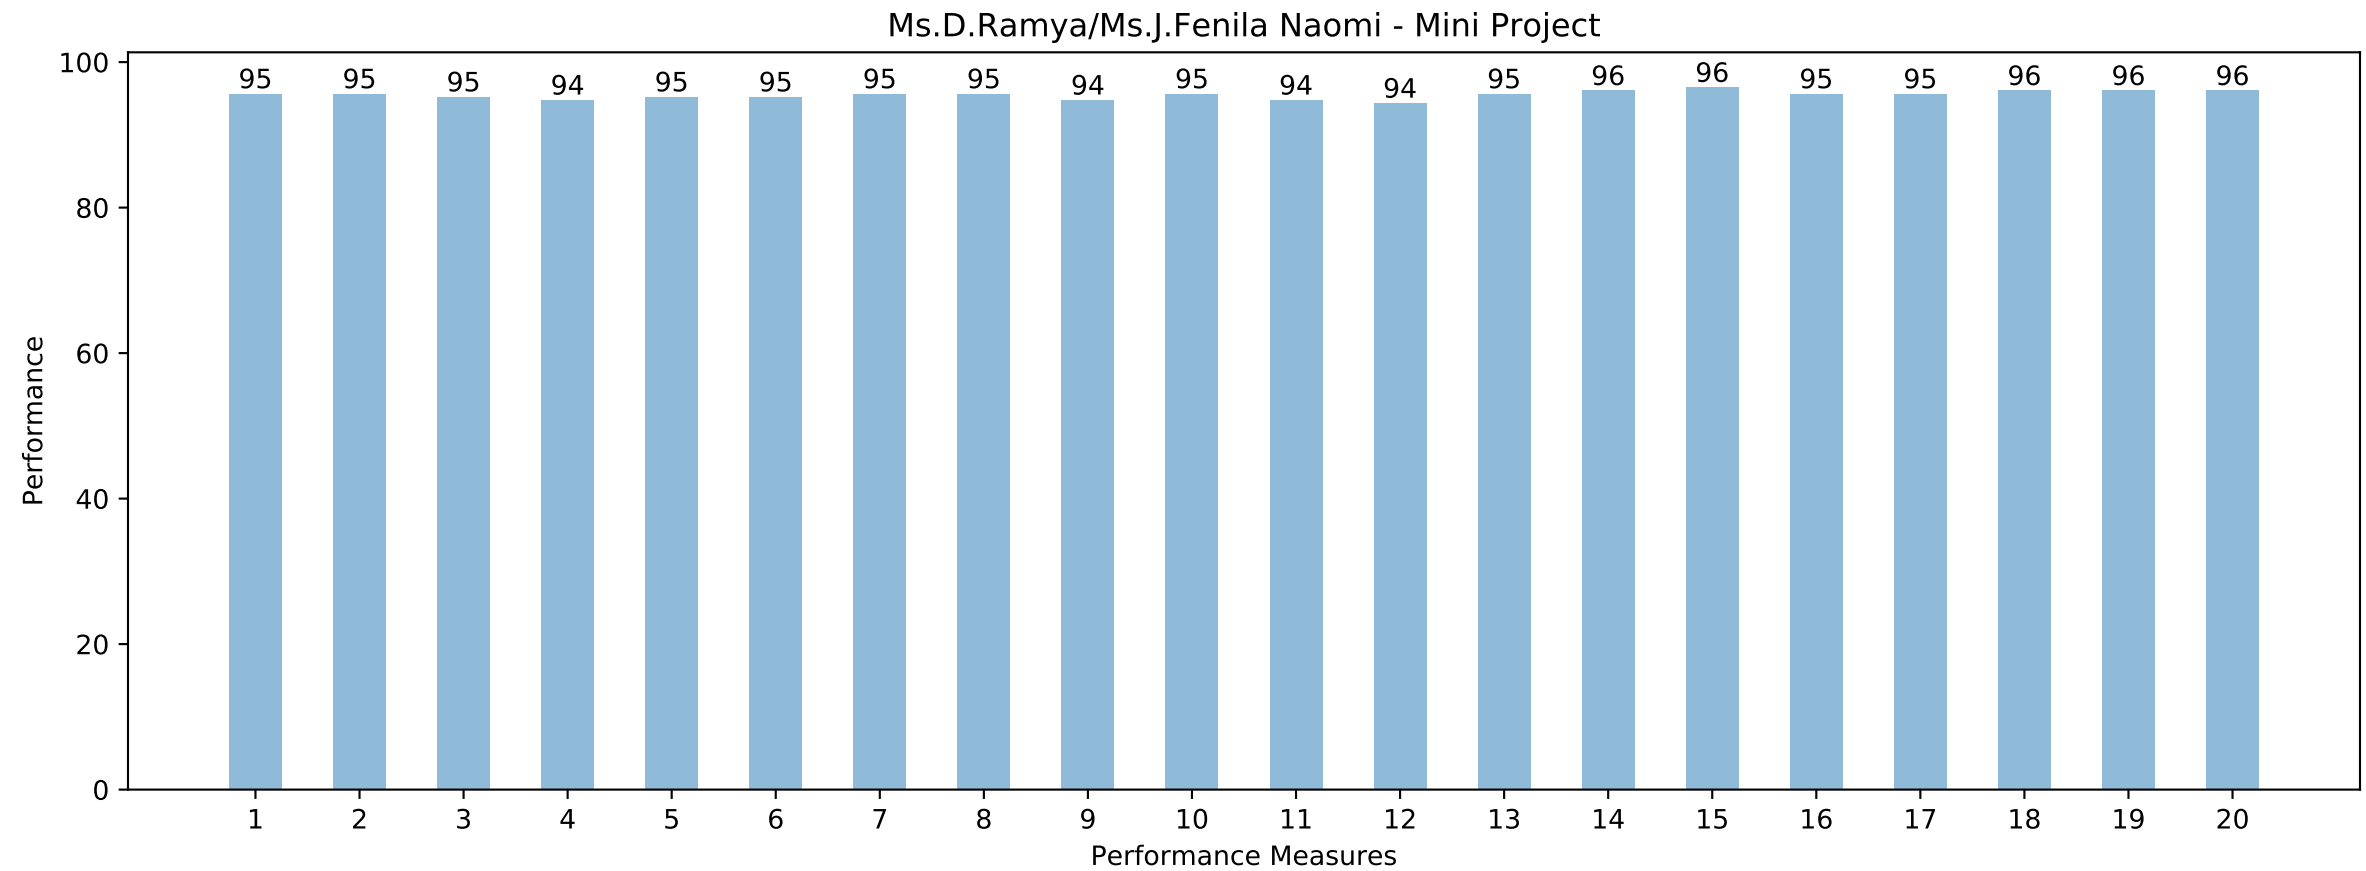

1-Punctuality and Regularity   2-Completes syllabus   3-Focus on Syllabi   4 - Self-Confidence  
5-Communication Skills   6-Skill of linking subject to life   7-Refers to latest developments   8 - Uses of teaching aids  
9-Shares and discusses the answers   10-Makes sure that he / she is being understood   11-Helps student in providing study material   12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills   14-Helps students in realizing career goals   15-Regular checking of laboratory observation   16 - Helping the students in conducting experiments  
17-Control mechanism   18-Skills of addressing inappropriate behavior   19-Tendency of inviting opinion and question   20 - Inspires students for ethical conduct

1-Punctuality and Regularity 2-Completes syllabus 3-Focus on Syllabi 4 - Self-Confidence  
5-Communication Skills 6-Skill of linking subject to life 7-Refers to latest developments 8 - Uses of teaching aids  
9-Shares and discusses the answers 10-Makes sure that he / she is being understood 11-Helps student in providing study material 12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills 14-Helps students in realizing career goals 15-Regular checking of laboratory observation 16 - Helping the students in conducting experiments  
17-Control mechanism 18-Skills of addressing inappropriate behavior 19-Tendency of inviting opinion and question 20 - Inspires students for ethical conduct

1-Punctuality and Regularity 2-Completes syllabus 3-Focus on Syllabi 4 - Self-Confidence  
5-Communication Skills 6-Skill of linking subject to life 7-Refers to latest developments 8 - Uses of teaching aids  
9-Shares and discusses the answers 10-Makes sure that he / she is being understood 11-Helps student in providing study material 12 - Helps students irrespective of ethnicity  
13-Approach towards developing professional skills 14-Helps students in realizing career goals 15-Regular checking of laboratory observation 16 - Helping the students in conducting experiments  
17-Control mechanism 18-Skills of addressing inappropriate behavior 19-Tendency of inviting opinion and question 20 - Inspires students for ethical conduct
